“Dedicated to excellence in classical education.”

Welcome to Easy Classical! Thank you for choosing us to help you home school. Whether you are brand new to homeschooling or have been homeschooling for many years, we hope that you will find Easy Classical daily schedules to be a great help.

How do I get started? Included in your packet is an “Instruction Sheet” (which explains how to use the schedule), an “Icon Sheet” (which lists the meanings of the icons placed in your schedule), 36 week-long, day-by-day schedules, and various forms and helps that can be photocopied for use with your child.

The instruction sheet lists the subjects in bold. Under each heading is the particular book or curriculum that is recommended for use in this subject. After each recommendation are general directions for each subject. This will guide you in your daily use of the schedules.

The framework of these schedules is structured around the recommendations of Susan Wise Bauer’s book *The Well-trained Mind: a Guide to Classical Education at Home*. Read this book for an excellent foundation on which to base your child’s schooling. It will also clarify how to use the sheets and helps that we have provided in your packet.

We pray that God would use our schedules to enhance the learning of your child, and that He will give you extra time during the year to spend with your spouse, your family, and your friends.
